What if I am injured and need to withdraw?

The phone number for the race director is printed on the back of your race bibs. We are no longer permitted to drive our vehicles on the parks tracks to retrieve injured runners. We must phone the Park Rangers to request a pickup, and this can take some time. If you can make it to an Aid Station, we can arrange collection from here.

Race Bib Information

- 1) Before you start you must notify ATR Officials if any of your entry information needs changing e.g. you are changing courses.
- 2) Do not use someone else's number bib as this will produce false results for everyone and will result in disqualification.
- 3) Attach the bib at WAIST HEIGHT (NOT chest!) to the OUTSIDE FRONT of whatever you will be wearing. Do not bend or fold the bib or tamper with it.
- 4) There will be different starts for different races. Make sure you start at the correct time.
- 5) Your time and number will be recorded provided your race number bib is visible. Covering it with your hands as you operate a watch, a nutrition belt, clothing, or anything else will prevent it recording, so your bib must be LOWER than all of these.
- 6) Race number bibs are disposable & do not need to be returned.
- 7) All results will be "Provisional" until 6pm on the Wednesday after your event, after which they will be "Final". Queries must be emailed to info@adelaidetrailrunners.com.au before this time.
